Menu Registration

This screenshot shows the 'Menu Registration' form with several annotations:

- 2nd type**: Points to the 'Menu Name' field containing 'Test Menu3'.
- 3rd type**: Points to the 'Unit Price' field containing '3.99'.
- 4th select**: Points to the 'Tax Type' radio button labeled 'Tax'.
- 1st**: Points to the 'Menu Copy' button.
- 4th**: Points to the 'Save' button.

The form includes a 'Menu Category' list on the left, a 'Menu Name' and 'Price' table, and various configuration options like 'Barcode', 'Status', 'Inventory Unit', 'Tax Type', 'Discount Applied', 'Point Applied', 'Market Price Menu', 'Open Price', and 'Kitchen Printer'.

This screenshot shows the 'Menu Registration' form with several annotations:

- 1st type**: Points to the 'Menu Name' field containing 'Test Menu4'.
- 2nd type**: Points to the 'Unit Price' field containing '2.99'.
- 3rd**: Points to the 'Save' button.

The form structure is identical to the first screenshot, but the 'Menu Name' is 'Test Menu4' and the 'Unit Price' is '2.99'.
